Internet Taxation Forum

Thursday, December 16, 1999, 2:00 P.M. - 4:30 P.M.
Saguaro Room, MAG Offices, 2nd Floor
302 North 1st Avenue, Phoenix, Arizona

Agenda

Moderator:
James M. Bourey, Executive Director

Panelists:
Representative Jeff Hatch-Miller, District 26, Arizona State Legislature
Co-chair, Legislative Internet Study Committee

Dennis Kavanaugh, Councilmember, City of Mesa
Committee Member, National League of Cities Information Technology & Communications Committee

Terry Trost, Assistant Director, Arizona Department of Revenue

Rob Ward, President and CEO, Westcor

Panelists will address the following:

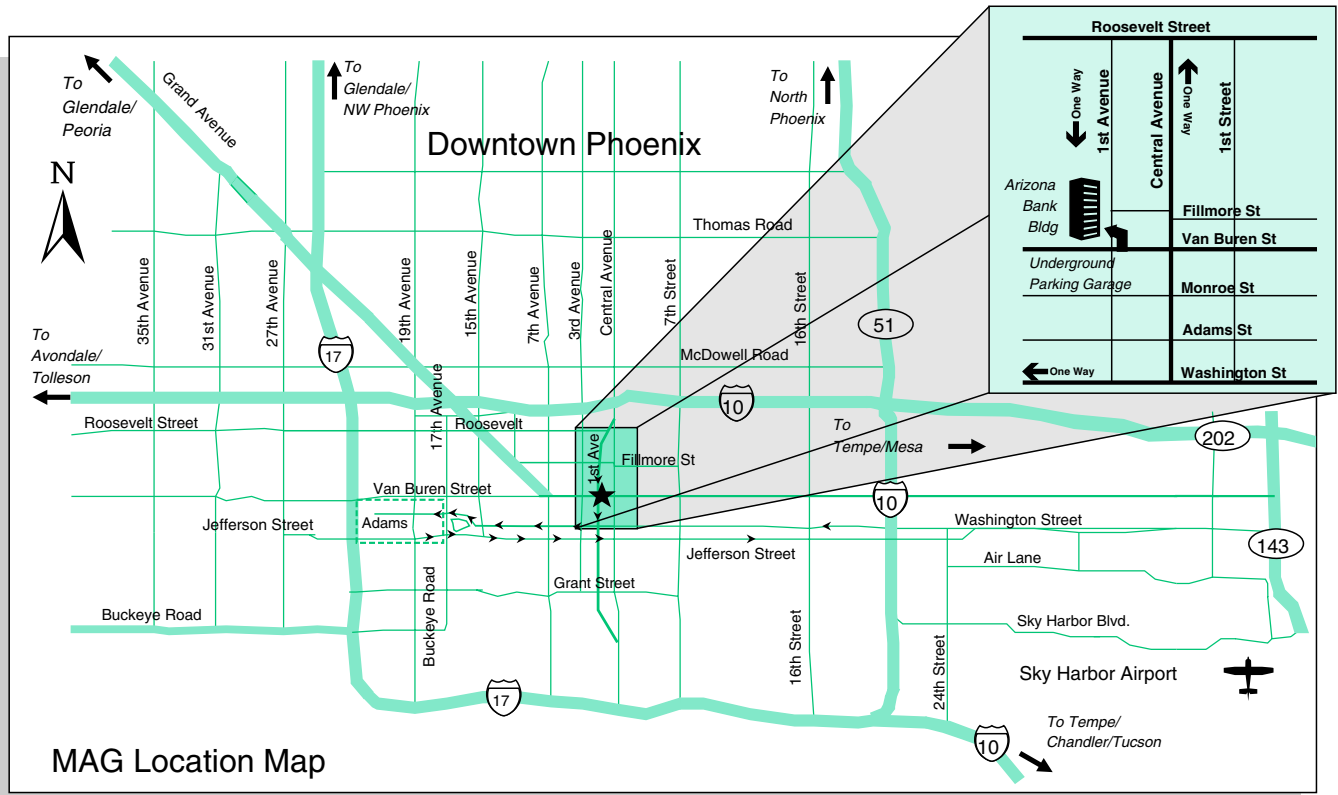

- Describe the background and status of Internet Taxation from your organization/coalition's point of view?
- What do you see are the implications for local government and business?
- What do you think are the major issues that need to be addressed?
- What are your suggestions for equitable taxation of all goods and services?
- How can local government and business positively affect the situation?
